'Unsubmissives' Soars to Digital Screens: The Thrilling Heist Film That's Captivating Audiences

Get ready to be swept away by the cinematic masterpiece that is 'Unsubmissives', the highly anticipated digital release of 2025. This gripping drama, set in the sun-kissed south of France in the early 1990s, tells the story of five women who band together to take matters into their own hands and challenge the status quo.

Starring a talented ensemble cast, 'Unsubmissives' follows the lives of Katy, Hélène, Laurence, and Carole, four friends who have been inseparable since childhood. As they navigate the challenges of young adulthood in their small hometown, they find themselves facing hardship and limited opportunities. But when Hélène's welfare checks are suddenly reduced, threatening her ability to

support her family, the group is driven to take drastic action.

With a fierce determination to change their lives, the women make the bold decision to rob a bank, and soon, commit a series of daring heists. As they navigate the world of crime, they must confront the harsh realities of societal inequalities and the consequences of their actions.
